INSTRUCTIONS FOR FILING A CIVIL RIGHTS COMPLAINT

Attached is a complaint form for filing an action under 42 U.S.C. § 1983. Observe the following instructions for completing the complaint:

- 1. Caption:** It is very important, if possible, that you state the first and last name of each defendant and badge number, if appropriate. You are required to furnish the correct name and address of each person so that service of process upon each defendant can be made.
- 2. Contents:** The form should be fully completed. It can be typewritten or handwritten. It must be legible. If you need more space to answer a question, attach a separate sheet of 8 ½ by 11 paper to your complaint. You are required to state facts, such as the date and location of the events. You need not make legal arguments or cite to cases. The complaint must have an original (not photocopied) signature by each plaintiff. The complaint need not be notarized.
- 3. Copies:** You must send the Court the original complaint and two exact copies (a complete set of three). You should keep another copy for your records. Copies can be xeroxed, handwritten or typewritten, but all copies must be identical to the original.
- 4. Fee:** The filing fee is **\$402**, payable to the Clerk of the Court, USDC, EDNY by certified check, bank check, personal check, money order or cash (if paying in person). If the filing fee is paid, the U.S. Marshal will not be directed to serve the defendants and plaintiff will be responsible for service of process on defendants. Service of the summons and complaint can be made by anyone over the age of 18 who is not a party to the action.
- 5. Not Legal Advice.** No form provides legal advice. No form substitutes for having or consulting a lawyer. If you are not a lawyer and are suing or have been sued, it is best to have or consult a lawyer if possible. **No Guarantee.** Following a form does not guarantee that any pleading is legally or factually correct or sufficient.
- 6. Variations Possible.** A form may call for more or less information than a particular court requires. The fact that a form asks for certain information does not mean that every court or a particular court requires it. And if the form does not ask for certain information, a particular court might still require it. Consult the rules and caselaw that govern in the court where you are filing the pleading.
- 7. Privacy Requirements.** Federal Rule of Civil Procedure 5.2 addresses the privacy and security concerns over public access to electronic court files. Under this rule, papers filed with the court should not contain anyone's full social-security number or full birth date; the name of a person known to be a minor; or a complete financial-account number. A filing may include only the last four digits of a social-security number and taxpayer identification number; the year of someone's birth; a minor's initials; and the last four digits of a financial-account number.

When you have completed the forms, mail the original and 2 copies to the:
